Match Reports

The Under 11s are continued to work hard and improve with every game! They pulled together against a tough Hoylandswain team, and their determination was clear. We lost but with style. George Gumpert in particular was a star – the only one from either team to bowl a maiden over!

The Under 13s are also beginning to find their feet. We scored the most runs of the season this week against a team who skittled us out in our previous encounter. Commendation goes to our 'New Boy' Finlay Wilson for his marvellous unbeaten 25!

Well done boys!

SHEPLEY JUNIOR CRICKET CLUB NEEDS YOU

We are in the process of becoming an official junior section of Shepley CC and we are looking for volunteers to become members of the committee. This would not involve lengthy meetings (we would get together during training sessions about once a month during the season), but is a requirement in order to open a bank account and run the club. Sue Glover (Danny's Mum) has agreed to act as treasurer and Beth Rae is happy to continue in her role as secretary, but we need a Chairman, a Vice –Chairman and other committee members. Danny as Head Coach would also be involved, as would any other coaches who wished too. We would suggest that as the founding member and bedrock of the juniors Brian Wells be made our 1st club President.

Please see Beth or Sue if you would be prepared to help.

Fundraising

If anyone has any ideas or contacts to help us raise money please talk to Sue, Beth, Brian, Danny or John. Thank you Andrea for suggesting a little raffle at matches, if anyone else would help that would be great!We will be holding a prize giving evening at the end of the season and it would be nice to buy the boys a little token in appreciation of all their hard work this season.
